1/4" Narrow Crown Stapler Item #GX.9032

Only the Grex 9032 narrow crown stapler, has the unique long nose feature that allows for difficult fastener placement in many cabinet assembly and drawer applications. The tool also has an internal safety and fastener jam clearing door. Light weight and comfortable to use, this tool is also an industrial strength tool that is quick and easy to load.

\$140.96

1/4" Narrow Crown Stapler Item #GX.9040

Offering the widest fastener length range, the Grex 9040 has the power to drive 1-9/16" narrow crown staples into hardwoods. Ideal for case and cabinet construction requiring various fastener lengths. The flexibility of this tool also includes a quick release nose cover to remove jams and an adjustable depth of drive dial to set fasteners flush with the workpiece.
